With reference to your letter No. L.12086/Mi 10-41-148 dated 29-6-1942 in connection with the above subject, I have the honour to forward herewith a statement furnishing the required particulars. All these establishments have to attend daily to the duties allotted to them, in the interest of the health and sanitation of the city. As such, the continuance of each of these establishments is quite necessary. They have not been kept on a permanent basis with a view to avoid extra cost by way of leave allowances and pension charges. I request that, in these circumstances sanction of Government may be kindly obtained to the continuance of all these establishments during the year 1942-43.

I have the honour to be,
